REBA I. ELMORE
PRIMARY EXAMINER

REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: the art of record does not teach or discuss a storage device control apparatus and method comprising a plurality of channel control units, each having a host interface controller with the apparatus and method including a plurality of disk control units, each of which have a disk interface controller, with the disk control units responding to data I/O requests received by the channel control units from host systems. The apparatus and method also include a plurality of cache memory units with each cache temporarily storing data transferred between the channel control units and the disk control units. The apparatus also has a plurality of storage control units, each storage control unit having a host interface controller, a disk interface controller and a memory with the internal connectivity allowing the channel control units, the disk control units, the cache memory units and the storage control units operable to be independently connected or disconnected to the storage device control apparatus.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
